The Thuraganooru—Halavara and Thuraganooru—Ukkalagere branches of the C.D.S. Channel Extension in T.-Narsipur Taluk.

Q.—118. **Sri S. SRINIVASA IYENGAR** (T.-Narsipur).—

Will the Government be pleased to state :—

(*a*) when the Thuraganooru—Halavara and Thuraganooru—Ukkalagere branches of the C.D.S. Channel extension in T.-Narasipur Taluk was undertaken and the total amount spent so far;

(*b*) whether water has been given to these branches; if not, why;

(*c*) the total extent of land coming under wet cultivation under these branches;

(*d*) the number of raiyats who have left their lands fallow, assuming that water would come and that they can grow paddy crop;

(*e*) the total extent of loss in food grains to the State by the non-supply of water;

(*f*) whether they have thought of giving water at least this year;

(*g*) if the non-supply of water is due to non-sufficiency of water; whether they did not consider this aspect while sanctioning the scheme?

A.—**Sri Kadidal MANJAPPA** (Minister for Revenue and Public Works).—

(*a*) (i) Information not readily available.

(ii) Rs. 5,00,000.

(*b*) No, due to scarcity of water in the channel even to meet the needs of the present atchkat.

(*c*) 5,180 acres.

(*d*) Information is not readily available.

(*e*) There is no loss of food grains on this account; only wet crops could not be raised as expected.

(*f*) No

(*g*) All aspects were duly considered at the project stage.

The extension of paddy cultivation under Visvesvaraya Canal in the higher reaches has contributed to the non-availability of water to the atchkat lands commanded by these branches.

Short supply of food-grains by the mills.

Q.—127. **Sri M. LINGANNA** (Nanjangud).—

Will the Government be pleased to state.—

(*a*) whether any mill-owner in the State is due to the State as a result of shortages of foodgrains;

(*b*) if so, the names of such mills and mill-owners;

(*c*) the extent of shortage of such mills respectively;

(*d*) the number of such mills on which the demand notices have been served;

(*e*) the reasons for shortages in such mills respectively?
